# PREFACE

Death records in Probate Court, Warren Co., OH start in 1867 to 1908. In 1908 they were then recorded in the Health Department. This book is the third death book and is dated 1905 - 1908. Part of 1908 deaths are recorded in the Health Department.

We hope we have been able to decipher the names so that you can find your ancestor. We did not change the name, but recorded it as found. Think of all the ways the surname you are searching could be spelled.

We only included the month & day if it was an infant.

The orginal records are in Probate Court.
